To,
Director,
Ministry of Env., Forest and Climate Change
Indira Paryavaran Bhawan,
Jorbagh Road,
New Delhi – 110 003

Sub : Six Monthly Compliance Report for the period Oct 2025 to March 2026 with respect to conditions stipulated by Ministry of Environment & Forests, Govt. of India and Department of Forests, Govt. of Gujarat for Construction of LNG Import Terminal (Phase-I) at Dahej, Gujarat by M/s Petronet LNG Ltd

Ref : (a) J-17011/11/2000-IA-III Dated 27th December, 2000
(b) ENV-10-2000-181-PI Dated 29th September, 2000

Dear Sir,

The six-monthly compliance report for the period Oct 2025 to March 2026 with respect to conditions stipulated by Ministry of Environment & Forests, Govt. of India and Department of Forests, Govt. of Gujarat for construction of LNG Import Terminal (Phase-I) at Dahej, Gujarat by M/s Petronet LNG Ltd is uploaded in "PARIVESH 2" portal.

This is for your information and reference.

Thanking you,
Yours faithfully,

Sanjay Kumar
GGM & President (Plant Head)

Your (**Half Yearly Compliance Report**) has been **Submitted** with following details

Proposal No	J-17011/11/2000-IA-III
Compliance ID	1226370513
Compliance Number(For Tracking)	EC/M/COMPLIANCE/1226370513/2026
Reporting Year	2026
Reporting Period	01 Jun(01 Oct - 31 Mar)
Submission Date	23-05-2026
RO/SRO Name	Shri Satya Prakash Negi
RO/SRO Email	jhk119@ifs.nic.in
State	GUJARAT
RO/SRO Office Address	Integrated Regional Offices, Gandhi Nagar
Note:- SMS and E-Mail has been sent to Shri Satya Prakash Negi, GUJARAT with Notification to Project Proponent.	

Half Yearly Compliance Report**2026****01 Jun(01 Oct - 31 Mar)****Acknowledgement**

Proposal Name	Construction of LNG Import Terminal at Dahej by M/s Petronet LNG Limited(Phase I)		
Name of Entity / Corporate Office	Petronet LNG Limited, Dahej		
Village(s)	N/A		
District	BHARUCH		
Proposal No.	J-17011/11/2000-IA-III	Category	INFRA-1
Plot / Survey / Khasra No.	N/A	Sub-District	N/A
State	GUJARAT	Entity's PAN	*****8148D
MoEF File No.	J-17011/11/2000-IA-III	Entity name as per PAN	PETRONET LNG LIMITED

Compliance Reporting Details

Reporting Year	2026
Remarks (if any)	SIX MONTHLY COMPLIANCE REPORT (FOR THE PERIOD OCT 25 TO MARCH 26) TO THE CONDITION MENTIONED IN MOEF LETTER NO. J-17011/11/2000-1A-III DATED 27TH DECEMBER, 2000 (For PHASE I)
Reporting Period	01 Jun(01 Oct - 31 Mar)

Details of Production and Project Area

Name of Entity / Corporate Office Petronet LNG Limited, Dahej

	Project Area as per EC Granted	Actual Project Area in Possession
Private	0	0
Revenue Land	0	0
Forest	33.4049	33.4049
Others	N/A	N/A
Total	33.4049	33.4049

Others Area

1	Up to Phase III Project	51.1651	51.1651			
Production Capacity						
Sr. no	Product Name	units	Valid Upto	Capacity	Production last year	Capacity as per CTO
1	RLNG	Million Tons per Annum (MTPA)	N/A	25 MTPA	15.016	
Conditions						
Specific Conditions						
Sr.No.	Condition Type	Condition Details				
1	Statutory compliance	Necessary approval for diversion of 10.5 ha forest land involved in project shall be obtained under the provisions of the forest (conservation) act, 1980 and a copy furnished to this ministry prior to commencement of construction site.				
PPs Submission: Complied Complied. The compliance report submitted vide our letter no. PLL/ND/D7/2K1 dated 6th September 2001. Facilities such as LNG storage and re-gasification construction completed and plant is under operation since April-2004.		Date: 04/05/2026				
2	MISCELLANEOUS	The plant layout shall be so planned to ensure that no portion of LNG storage and re-gasification facilities fall within CRZ I (1). The final layout plan along with demarcation of CRZ area and their classification shall be submitted to this ministry commencement of construction site.				
PPs Submission: Complied Facilities such as LNG storage and re-gasification construction completed and plant is under operation since April-2004. Layout plan submitted with our letter no. PLL/ND/D-7/2K1 dated 16th August 2001.		Date: 04/05/2026				
3	MISCELLANEOUS	No change in the scope of work shall be made without prior approval of this ministry.				
PPs Submission: Complied Construction works completed without any change in the scope of works.		Date: 04/05/2026				
4	Marine/Coastal	No dredging (capital or maintenance) shall be carried out in the project. If at any stage, necessary of dredging is felt, specific approval for the same shall be obtained.				
PPs Submission: Complied No dredging work carried out during the project. Facilities such as LNG storage and re-gasification construction completed and plant is under operation since April-2004.		Date: 04/05/2026				
5	Marine/Coastal	A proper location map clearly showing the various project activities with respect to high tide line (duly demarked by one of the authorized agencies) and the corresponding CRZ classification of the area shall be furnished within one month.				

<p>PPs Submission: Complied The location map, prepared by M/s National Institute of Oceanography, showing various project with respect to high tide line and the corresponding CRZ classification of the area was submitted vide our letter No PLL/ND/D-7/2K1 Dated 16th August 2001.</p>		<p>Date: 04/05/2026</p>
6	Risk Mitigation and Disaster Management	A quantitative risk analysis of the LNG terminal associated facilities shall be carried out taking into account the worst case scenario and based on firmed up engineering design. The report should be submitted within 6 months. The central control room should be located well outside the risk zone
<p>PPs Submission: Complied The quantitative risk analysis (QRA) report submitted vide our letter No PLL/ND/D-7/2K2 dated 18th January 2002. The control room is located outside the risk zone.</p>		<p>Date: 04/05/2026</p>
7	Risk Mitigation and Disaster Management	Based on risk analysis, Disaster Management plan should be prepared and submitted to this ministry within 6 months.
<p>PPs Submission: Complied The disaster management plan was submitted vide our letter no PLL/ND/D-7/2K2 dated 18th January 2002. ERDMP plan is updated and approved from M/s Bosai Safety dated 16.10.2025. Please Refer Annexure IV for valid ERDMP certificate.</p>		<p>Date: 04/05/2026</p>
8	MISCELLANEOUS	A clarification may be obtained from state pollution control board to the effect that the NOC issued by them is for entire project and not restricted to two storage tanks. This may be provided within one month.
<p>PPs Submission: Complied Gujarat Pollution Control Board (GPCB) vide their letter no BRCK-NOC-S/40(1948)6721 dated 15th February, 2001 have clarified that the NOC granted by the Board is in respect of the entire LNG project (LNG receipt, storage, re-gasification) including the following components (i) Construction of Jetty (ii) LNG Storage Tanks (2 Nos) (iii) Pumping and re-gasification facilities (iv) Utilities GPCB have been further informed vide their letter no PC/BRCH-CCA-611 that the NOC granted by them is also for two additional storage tank in Phase-II. Please Refer Annexure V for GPCB Letter no PC/BRCH-CCA-611</p>		<p>Date: 04/05/2026</p>
9	MISCELLANEOUS	The details of the facilities to be provided by the company to the local population may be furnished within one month.
<p>PPs Submission: Complied Complied The details were provided vide our letter no PLL/ND/D-7/2K2 dated 18th January 2002.</p>		<p>Date: 04/05/2026</p>
10	MISCELLANEOUS	The project proponent should be make specific arrangement for rainwater harvesting in the project design and the rainwater so harvested should be optimally utilized.
<p>PPs Submission: Complied The LNG terminal has been set-up very near to the coastline at Dahej, where water table is very high. Moreover, the seawater is brackish in that area. Investigations indicates that it might not be feasible to carry out rainwater harvesting in this area, The process water requirement in LNG terminal at Dahej is NIL.</p>		<p>Date: 04/05/2026</p>
11	Statutory compliance	All the conditions stipulated by the Forest and Environment Department of Gujarat vide their letter no.ENV-10-2000-181-P1 dated 29th September 2000 should be effectively implementer.
<p>PPs Submission: Complied</p>		<p>Date:</p>

Compliance Status is enclosed as Annexure I.		04/05/2026
12	Statutory compliance	All the conditions stipulated by Gujarat Pollution Control Board in their NOC should be effectively implemented
PPs Submission: Complied All the conditions of NOC are complied. Consolidated Consent and Authorization obtained under Water Act 1974, Air act 1981 and Environment (Protection) Act vide GPCB consent order No 3936 dated 28th September 2004.		Date: 04/05/2026
13	MISCELLANEOUS	The jetty will be constructed on piles to enable the free flow of water across the jetty.
PPs Submission: Complied The confirmation regarding construction of jetty on piles has already been sent vide letter no. PLL/ND/D-7/2K2 dated 18th January 2002.		Date: 04/05/2026
14	MISCELLANEOUS	The construction of material shall be obtained only from approved quarries. In case new quarries need to be opened up specific approval for the same shall be obtained.
PPs Submission: Complied Facilities such as LNG storage and re-gasification construction completed, and plant is under operation since April-2004.		Date: 04/05/2026
General Conditions		
Sr.No.	Condition Type	Condition Details
1	Statutory compliance	Construction of the proposed structures should be undertaken meticulously conforming to the existing central/local rules and regulations including CRZ notification 1991 & its amendments. All the construction designs / drawings relating to proposed construction activities must have approval of the concerned state government department /agencies.
PPs Submission: Complied All the required statutory approval were obtained. The construction and commissioning of the facilities at Dahej completed and the plant is operational since April-2004.		Date: 04/05/2026
2	WATER QUALITY MONITORING AND PRESERVATION	The proponent shall ensure that a result of the proposed construction, ingress of the saline water into the ground water does not take place. Piezometer for this purpose at appropriate locations on the project site.
PPs Submission: Complied During construction no water was drawn from ground and no ingress of saline water took place. Piezometers are installed and regular ground water analysis done from GPCB approved agency. Please Refer Annexure II for Environment monitoring data.		Date: 04/05/2026
3	Statutory compliance	Handling, manufacturing, storage and transportation of all hazardous chemicals should be carried out in accordance with MSIHC rule 1989 and subsequent amendments. All the approvals from state & central nodal agencies including OISD chief controller of explosives, chief inspectorate of factories must be obtained. A comprehensive contingency plan in collaboration with the concerned authorities must be formulated before commissioning of the project to meet any eventuality in case of an accident.

<p>PPs Submission: Complied All relevant approvals of state and central nodal agencies, DISH, CCOE, CIF for construction and operation of the facilities are in place. Emergency response plan is in place and updated periodically. Please Refer Annexure IV for valid ERDMP certificate</p>		<p>Date: 04/05/2026</p>
4	MISCELLANEOUS	<p>A well-equipped laboratory with suitable instruments to monitor the quality of air and water shall be set up so as to ensure that the quality of ambient air and water conforms to prescribed standards. They will also equipped with qualified manpower including a marine biologist so that marine water quality is regularly monitored in order to ensure that the marine life is not adversely affected as a result of implementation of the said project. The quality of ambient air and water shall be monitored periodically in all seasons and the results should be properly maintain and for the inspection of the concerned pollution agencies. The periodic monitoring reports at least once in 6 months must be sent to this ministry (Regional office at Bhopal) and SPCB.</p>
<p>PPs Submission: Complied Environmental monitoring is being carried out through GPCB approved outsourced agencies in accordance with the guidelines prescribed by the Gujarat Pollution Control Board (GPCB). The analytical monitoring reports are enclosed as Annexure II. At Dahej, seawater is not utilized for LNG vaporizers or for any other operational purpose. LNG vaporization is carried out through air heaters using atmospheric air. As there is no intake of seawater and no discharge/outflow into the marine environment, there is no interface with the marine ecosystem. Consequently, engagement of a marine biologist is not considered necessary under the present operational configuration. Further, periodic environmental monitoring reports are being submitted regularly, at least once every six months, to the Regional Office of the Ministry at Bhopal and the State Pollution Control Board (SPCB), in compliance with the stipulated environmental clearance conditions.</p>		<p>Date: 22/05/2026</p>
5	MISCELLANEOUS	<p>Adequate provisions for instrumentation facilities such as water supply, fuel for cooking, sanitation etc. must be provided for the laborer during the construction period to avoid the damage to the environment. Colonies for the laborers should not be located in the CRZ area. It should also be ensured that the construction workers do not cut trees including mangroves for fuel wood purpose</p>
<p>PPs Submission: Complied All welfare facilities were given to labors during project stage. The construction and commissioning of the facilities at Dahej completed and plant is already operational since April-2004.</p>		<p>Date: 04/05/2026</p>
6	WASTE MANAGEMENT	<p>To prevent discharge of sewage and other liquid wastes into the water bodies, adequate system for collection and treatment of wastes must be provided. No sewage and other liquid wastes without treatment should be allowed to enter in to water bodies.</p>
<p>PPs Submission: Complied Complied with the requirement to prevent untreated sewage and liquid waste discharge into water bodies. A 100 KLD STP is operational, and domestic waste is treated through STP and soak pits, ensuring adherence to prescribed standards. Treated water from STP is used for gardening and horticulture purpose.</p>		<p>Date: 22/05/2026</p>
7	WASTE MANAGEMENT	<p>Appropriate facility should be created for the collection of solid & liquid wastes generated the barges/ vessels and their safe treatment and disposal should be ensured to avoid possible contamination of the water bodies.</p>
<p>PPs Submission: Complied Contracts for engaging the vessel stipulate that the vessels comply with these requirements including MARPOL. Besides LNG vessel is berthed for 24 hours only and it is equipped with incinerator and</p>		<p>Date: 04/05/2026</p>

	sewage treatment.	
8	MISCELLANEOUS	Necessary navigational aids such as channel markers should be provided to prevent accidents. Internationally recognized safety standards shall be applied in case of barge/ vessel movement
PPs Submission: Complied Necessary navigational aids have been provided and all safety measures as per international standards are being followed in case of vessel movement.		Date: 04/05/2026
9	Corporate Environmental Responsibility	The project authorities should take appropriate community development and welfare measures for the villagers in the vicinity of the project site, including drinking water facilities. A separate fund should be allocated for this purpose.
PPs Submission: Complied Complied with the requirement to undertake community development and welfare measures for villagers in the vicinity of the project site. A separate Corporate Environmental Responsibility fund has been allocated. Compliance is evidenced through Annexure III.		Date: 22/05/2026
10	MISCELLANEOUS	The quarrying material required for the construction purposes shall be obtained only from the approved quarries/borrow areas. Adequate safeguard measures shall be taken to ensure that the overburden and rocks at quarry site do not find their way into water bodies.
PPs Submission: Complied Facilities such as LNG storage and re-gasification construction completed, and plant is under operation since April-2004.		Date: 04/05/2026
11	MISCELLANEOUS	The dredging operation to be undertaken with the prior approval of the ministry, shall be executed with appropriated safeguard measures to prevent turbidity conditions in consultation with the expert agencies such CWPRS/NIO
PPs Submission: Complied No dredging work carried out during the project. Facilities such as LNG storage and re-gasification construction completed, and plant is under operation since April-2004.		Date: 04/05/2026
12	MISCELLANEOUS	For employing unskilled, semiskilled and skilled workers for the project, preferences shall be given to local people.
PPs Submission: Complied PLL has recruited a fair number of local people. For ancillary and support functions as security services, firefighting, and green belt maintenance etc. PLL is giving preference to local people.		Date: 04/05/2026
13	Risk Mitigation and Disaster Management	The recommendation made in the environment management plan and disaster management plan, as contained in the EIA and risk analysis reports of the project shall be effectively implemented
PPs Submission: Complied All the recommendations of risk analysis and EIA are complied. Emergency response plan is in place and updated periodically. Please Refer Annexure IV for valid ERDMP certificate.		Date: 04/05/2026
14	MISCELLANEOUS	A separate environment management cell with suitably qualified staff to carry out various environment related functions should be set up under the charge of senior executive who will report directly to the chief executive of the company.

<p>PPs Submission: Complied Health safety and environment management cell exists at site. Total four HSE persons are employed headed by Chief Manager in HSE dept. Head HSE is directly report to plant head and occupier of company.</p>		<p>Date: 04/05/2026</p>
15	MISCELLANEOUS	The project affected people if any should be properly compensated and rehabilitated
<p>PPs Submission: Complied Noted and complied.</p>		<p>Date: 04/05/2026</p>
16	MISCELLANEOUS	The funds earmarked for environment protection measures should be maintained in the separate account and there should be no diversion of these funds for any other purpose. A year-wise expenditure on environmental safeguards should be reported to the ministry.
<p>PPs Submission: Complied The funds earmarked for environment protection measures is maintained separately Rs. 105 Lac spent for development of Green Belt during the FY 2004-05. Rs. 33.22 Lac spent for development of Green Belt and Mangrove Plantation during the FY 2009-10. Rs. 50 Lac spent for development of Green Belt and Mangrove Plantation during the FY 2010-11. Rs 93.31 Lacs spent for development of Green Belt and Mangrove plantation during the FY 2011-2012 Rs. 109.57 Lac spent for development of Green Belt and Mangrove Plantation during the FY 2012-13. Rs. 95.20 Lac spent for development of Green Belt and Mangrove Plantation during the FY 2013-14. Rs 81.68 Lacs spent for development of Green Belt and Mangrove plantation during the year 2014-15. Rs 42.20 Lacs spent for development of Green belt and Mangrove plantation during the FY 2015-16. Rs. 77.96 Lacs spent for development of Green Belt and Mangrove Plantation during the FY 2016-17. Rs. 71.08 Lacs spent for development of Green Belt and Mangrove Plantation during the FY2017-18. Rs. 60.93 Lacs spent for development of Green Belt and Mangrove Plantation during the FY2018-19. Rs. 51.10 Lacs spent for development and maintenance of Green Belt during the FY2019-20. Rs. 78.96 Lacs spent for development and maintenance of Green Belt during the FY2020-21. Rs. 76.26 Lacs spent for development and maintenance of Green Belt during the FY 2021-22. Rs. 74.65 Lacs spent for development and maintenance of Green Belt during the FY2022-23. Rs. 7.76 Lacs for STP operational cost in FY2022-2023 Rs. 634.84 Lacs spent for development and maintenance of Green Belt during the year FY2023-24. Rs. 7.76 Lacs for STP operational cost in FY2023-24. Rs. 1497.86 Lacs spent for development and maintenance of Green Belt during the year FY 2024-25. Rs. 19.31 Lacs for STP operational cost in FY 2024-25. Rs. 93.87 Lacs spent for development and maintenance of Green Belt during the year FY 2025-26. Rs. 19.31 Lacs for STP operational cost in FY 2025-26.</p>		<p>Date: 04/05/2026</p>
17	MISCELLANEOUS	Full support should be extended to the officers of this ministry's regional office at Bhopal and the officers of the central and state pollution control boards by the project proponents during their inspection for monitoring purposes, by furnishing full details and action plans including the action taken reports in respect of mitigative measures and other environmental protection activities.
<p>PPs Submission: Complied PLL is committed to provide full support during site inspection of statutory agency and required data are provided.</p>		<p>Date: 04/05/2026</p>
18	MISCELLANEOUS	In case of deviation or alteration in the project including the implementing agency, a fresh reference should be made to the ministry or modification in the clearance conditions or impositions of new ones for ensuring environmental protection. The project pronouncements should be responsible for implementing the suggested safeguard measures

PPs Submission: Complied No deviation or alternation during the project. Facilities such as LNG storage and re-gasification construction completed and plant is under operation since April-2004.		Date: 04/05/2026
19	MISCELLANEOUS	The ministry reserves the right to revoke this clearance, if any of re condition stipulated or not complied with to the satisfaction of this ministry
PPs Submission: Complied Agreed. No Such case till date.		Date: 04/05/2026
20	MISCELLANEOUS	The ministry or any other competent authority may stipulate any other additional conditions subsequently if deemed necessary for environmental protection which shall be complied with
PPs Submission: Complied Agreed and Complied		Date: 04/05/2026
21	MISCELLANEOUS	The project proponent should advertise at least in two local newspapers widely circulated in the region around the project, one of which shall be in the vernacular language on the locality concerned informing that the project has been accorded environmental clearance and copies of clearance letters are available with state pollution control board and may also been at web site of the ministry of environment & forest at http://www.envfor.nic.in
PPs Submission: Complied Facilities such as LNG storage and re-gasification construction completed and plant is under operation since April-2004.		Date: 04/05/2026
22	MISCELLANEOUS	The project proponents should inform the regional office as well as the ministry the date of financial closure and final approval of the project by the concerned authorities and the date of start of the land development work.
PPs Submission: Complied Project is now completed. Plant is under operation since April-2004.		Date: 04/05/2026
Visit Remarks		
Last Site Visit Report Date:		N/A
Additional Remarks:		SIX MONTHLY COMPLIANCE REPORT TO THE CONDITION MENTIONED IN MOEF LETTER NO. J-17011/11/2000-1A-III DATED 27TH DECEMBER, 2000 (For PHASE I)
<p style="text-align: center;">Note: This acknowledgement is as per the details submitted by project proponent. In no way is this document to be considered as conclusion on any action on the compliance of the project. This is strictly for the project proponent's reference purpose.</p>		

ANNEXURE-I

**Compliance to conditions as conveyed by Department of Forests & Environment,
Govt. of Gujarat, Letter No. ENV-10-2000-181-P1, Dated 29th September, 2000
As On 31.03.2026**

Point-wise compliance statement for the subject environmental clearance is as below:

<u>SR. NO.</u>	<u>CONDITIONS</u>	<u>STATUS</u>
1	No activity shall be commenced before obtaining the necessary permissions under the forest (Conservation) Act.	Complied.
2	The applicant shall not tap the groundwater in any case	Complied No ground water tapping in the terminal.
3	The applicant shall implement all the suggestions/recommendations given by the NIO in their rapid Marine Environment Impact Assessment Report.	Agreed & complied. All the recommendations are complied.
4	The applicant shall appear and submit the comprehensive Marine EIA report including the study for the long term impacts due to construction of breakwater and jetty, before commencing the project activities	Complied. The clarifications were provided vide our letter ref PLL/ND/D-7/2KI dated 5TH February 2001.
5	The applicant shall implement all the suggestions/recommendations given by the ONGC and the WAPCOS in their comprehensive EIA Report	Complied. All the recommendations are complied
6	The applicant shall submit the detailed Risk assessment Report containing the worst case scenario and detailed Oil Spill Contingency Plan before commissioning the project and shall implement all the suggestions/recommendations given in the report.	Complied. QRA study was done and all recommendations are implemented.
7	The applicant shall adhere to the provisions of National Oil Spill and Disaster Management Plan and shall install all necessary facilities and equipment for controlling and combating the oil spill, before commissioning the operation	Complied. Valid Oil spill contingency plan and ERDMP are available and periodically updated. Please Refer Annexure – IV for valid ERDMP certificate.
8	The applicant shall participate financially for the Regional Environment Impact Assessment of the Dahej region.	Agreed. PLL agree to participate for the Regional Environment Impact

		Assessment of the Dahej region.
9	The applicant shall bear the cost of the external agency appointed by this department for carrying out supervisor and/or monitoring of the construction and/or operation activities.	Complied. PLL agree to born cost of external agency appointed by this department. The construction has been completed and the terminal commenced commercial operations from 9th April 2004.
10	The camps of the construction labors shall be kept outside the CRZ area.	Complied. The construction has been completed and the terminal commenced commercial operations from 9th April 2004.
11	The applicant shall ensure that free flow of water is not hampered due to any project activities.	Complied. Water flow was not hampered due to project activities. The construction has been completed and the terminal commenced commercial operations from 9th April 2004.
12	The applicant shall ensure that there will be no disposal of sullage and sewage generated from construction camps, surface run-off from construction sites, and grease spillage from construction equipment into the sea or the CRZ area.	Complied. There was no waste disposal into sea or the CRZ area during project stage.
13	The applicant shall carry out mangrove plantation in consultation with forest department.	Complied. Total 2250 Ha mangrove plantation were completed till date. Please Refer Annexure – VI for mangrove plantation details.
14	The applicant shall carry out the monitoring of the various environmental parameters in consultation with Gujarat pollution control Board/Forest and Environment Department.	Complied Monthly environment monitoring is done through GPCB approved agency as per GPCB guideline. Please Refer Annexure – II for Environment monitoring data.

15	The Gujarat Maritime Board shall prepare the detailed Traffic Control Management Plan for the Dahej port and the gulf of Khambhat in consultation with respective port companies including PLL, Indian Petrochemicals Corporation Limited and would made effective before commissioning of the activities of the PLL.	Complied. Gujarat Maritime Board has established Vessel Traffic Management System (VTMS) System and PLL is complying with all norms as per Gujarat Maritime Board.
16	The applicant shall actively participate in the vessel Traffic Management System (VTMS) to be developed for the Gulf of Khambhat.	Complied. Gujarat Maritime Board has established Vessel Traffic Management System (VTMS) System and PLL is complying all norms as per Gujarat Maritime Board.
17	The applicant shall implement socio-economic upliftment programme in consultation with District Collector/DDO	Complied. Socio-economic development programs implemented; CSR activities carried out in consultation with authorities. Please Refer Annexure – III for details CSR activities.
18	No construction activities shall be commenced before obtaining all necessary clearances under various acts/ rules from different Govt. department /agencies.	Complied. All statutory clearances and approvals were obtained prior to commencement of construction activities.
19	Any other conditions as may be stipulated by this department from time to time.	Complied All additional conditions stipulated by the department from time to time are being adhered to.

ANNEXURE –III

CSR DETAILS

PLL has constructed a temple at the site for the local people and has contributed towards infrastructure in the area for roads and drinking water.

Community development and welfare measures are taken. Village Luwara has been jointly adopted along with another nearby industry, as directed by PCPIR Welfare Society. Separate fund allocated for CSR.

Some of the schemes completed/under progress are Health Center (construction & operation), drainage and provision of street lights at Village Luwara. Rupees 75 lakh contributed to PCPIR Welfare Society. Two ladies from Luwara village sponsored for nursing course at Vidhyadeep Community college, Bharuch. Sponsored construction of Sanitation scheme at village Muller. Active participation in other Government initiated community development programs.

Installed 10 nos. Emergency solar lighting at prominent places in village Luwara. Donated Rs.1 lac for Bharuch District Civic centre development. Participated in Govt. scheme on KanyaKelvani. Installation of drainage crossings to remove accumulated water at 4 locations within the village Luwara at a cost of Rs. 0.8 lacs. Construction of approach road in village Lakhigaon, Dahej.

PLL has sponsored ‘Mataria Talav drinking water project’ of the Bharuch Municipality Corporation. This project is for the supply of sweet drinking water from the Narmada River to the residents of Bharuch city. MD&CEO handed over cheque for Rs. 25 Lacs to the Collector, Bharuch on 13/06/2011 and further, PLL added Rs. 20 Lacs for the ‘Mataria Talav drinking water project’

PLL installed 50 nos. Emergency solar lighting at prominent places in village Luwara & 10 nos. Emergency solar lighting at prominent places in village Lakhigam of Vagra Taluka in Bharuch District. Provided School Bus to Primary School at Lakhigam Village and also running Primary Health Center at Luwara Village. PLL constructed Bus-stand and extended Gram Panchayat Bhavan building at Luwara Village.

PLL installed 25 Nos. of Solar lights at prominent places in village Lakhigam and Luwara. Contributed Rs. 20 Lakhs in Akshay Patra mid-day meal scheme at villages in and around Dahej location. Also, contributed Rs. 10.00 Lakhs in Gujarat Lion Conservation Society towards procurement of Vehicle.

Primary health services to Luvara village, Gynec health and Pulse Polio campaign (Pakhajan PHC). PLL supported noble cause of Construction of Storm water drainage at Shravan Chokdi to Jambusar by pass (over bridge) in Bharuch. This project is executed under District Collector office.

Request from CDHO (Chief District Health Officer) was received to participate in various health initiatives. PLL agreed during meeting with DM to provide the ambulance for PHC, Pakhajan Village of Vagra Taluka. PLL is supporting Luvara School for reference books, uniform, school picnic and creating awareness on environment, health, safety and security aspects through various programs regularly, rewarding bright students etc. PLL celebrated Shala Pravesh Utsav at Luvara School and distributed tool box to children.

Bharuch has problem of solid waste management and garbage disposal. To improve on cleanliness of the town, PLL is supporting initiative of GREEN BHARUCH CLEAN BHARUCH by donating two dumper placer worth Rs. 23.94 Lakh.

Due to delay in recruitment of teachers, primary schools in and around Dahej has 40% teaching staff. To support education by deploying young educated teachers, PLL sponsored 14 teachers in 4 schools of villages of Dahej, Lakhigam and Luvara.

PLL constructed 11 hoshues of homeless tribes in Luvara village at a cost of 25 Lakh. PLL initiated drive to make Luvara open defecation free by sponsoring toilets for 172 houses at a cost of Rs. 17.2 Lakh.

As a part of initiative for Swachh Bharat Abhiyan, PLL constructed five toilet blocks for school at Lakhigam, Luvara, Ambetha, Jageshwar & Dahej. Also, PLL has constructed 91 Toilet blocks at an estimated expenditure of Rs. 172 Lakhs for various schools in fifteen district of Assam in co-ordination with Rashtriya Madhiyamik Siksha Abhiyan (RMSA).

Cancer screening done (Pep and Breast) for female above 18 years at Luvara village. Establishment of equipment for Ultra Sonography Ward done at General/Civil Hospital, Bharuch. Motivational Awards (Academics and punctuality), School kit and reference books given for Luvara School students. Nutrition and clothing kit (105 nos.) was given to under nourished baby and mother.

PLL has sponsored Drawing competition, Educational tour and uniform distribution at Primary School Luvara. PLL sponsored Medical Equipment such as Eye sight testing, ECG Machine, Spirometer, Pulse Oxymeter etc. to Luvara Primary Health Centre. PLL also celebrated Swach Bharat Pakhwada during 16th June, 2016 to 30th June, 2016 in co-ordination and consultation with neighboring villages, communities, schools etc.

The launch of Project Vidhyagam was organized in Luwara Primary School wherein a classroom library for std. 7 & 8 students is setup. About 130 books (syllabus and general reading including comics, biographies, story books, general knowledge, science fiction in Gujarati, Hindi and English language) has been kept in the library. The idea behind this project is that students develop interest in reading and thus studying. The PLL Disha Ladies Club organized for food and distribution of educational kits for 65 girls in the Orphanage in Bharuch on 11th Sept 2016. A focused group discussion on importance of hygiene and cleanliness was organized by Ladies club members as well.

Roofing item worth Rs. 2 Lacs was provided to the Gram Panchayat Office of Luwara Village for construction of house for 10 tribal families living below the poverty line. This material consisted of cement roof, channel, and hooks. It is expected that the construction of houses will be done by mid-January 2017.

Petronet LNG Limited celebrated the World Sight Day on 13th October 2016 by organizing the Eye Screening Camp for contractual labor at the company premises. The camp was organized in association with Wockhardt Foundation and about 200 labor and 60 employees participated in the same. During the camp; 125 specs and 60 unit of drops were distributed to beneficiaries based on assessment by Doctors.

On the occasion of 147th birth anniversary of Father of Nation Shri Mahatma Gandhi Health and Hygiene talk, Swachhta Selfie Campaign, Drawing Competition at Govt. High School, Lakhigam and other activities were organized as part of Swachh Bharat Abhiyaan.

It is observed that there is a shortage of regular teachers in local schools and severely hampering the quality of education of poor children in schools. To mitigate this problem, PLL has started supporting para teachers in local school and ensuring improvement in quality of education in local schools.

PLL CSR team participated in world school day celebration on 23 March, 2017. As a part of celebration PLL has distributed Uniforms to Std. 8th Students. It was decided to provide two pair of uniforms to all students in school. The uniforms were prepared by Sardar Mahila Vikas Mandal a group of tribal women for employment generation and livelihood opportunity. PLL provided work order worth of Rs. 2,23,980/-

As the students studying in primary schools are coming from BPL and poor families, most of the families are not able to afford educational tours for their children. Every year school is organizing such tour sponsored by PLL. Students will get exposures to various places and gain experience. About 150 students get benefit of this tour and

places covered like Dwarka, Somnath, Porbandar, Smruti Mandir, Naheru Planetorium, Sasan Gir etc.

PLL had sponsored community mass marriage of weaker community, participated in Shala Pravesh Utsav 2017, planted 150 of trees in nearby villages, distributed food packages during water logging observed at nearby villages, supported empowerment of Special children, engaged contractor for repair and maintenance of Toilets in nearby School, arranged sessions for awareness on solid waste management at school.
